## 10. Frequently Asked Questions (Voice AI Q&A)

The following Q&A pairs are optimized for voice AI retrieval. Each answer is self-contained and conversational.

---

### **Q: What is BizHub?**

A: BizHub is a full-service business formation and growth company that helps entrepreneurs start, grow, and protect their businesses. They've formed over 50,000 businesses across all 50 US states since 2014.

### **Q: Where is BizHub located?**

A: BizHub's headquarters is at 2740 East WT Harris Blvd, Suite 200, Charlotte, North Carolina 28213. They can be reached at 1-844-599-3355 or 1-800-BIZHUB.

### **Q: How do I contact BizHub?**

A: You can reach BizHub by phone at 1-844-599-3355 or 1-800-BIZHUB, by email at support@bizhub.com or hello@bizhub.com, or through the live chat on their website. They offer 24/7 expert support.

### **Q: What types of business entities can BizHub form?**

A: BizHub can form three types of business entities: LLCs (Limited Liability Companies), Corporations (C-Corps), and S-Corporations. Each has different tax structures, liability protections, and compliance requirements.

### **Q: How much does it cost to form a business with BizHub?**

A: BizHub offers three formation packages: Essential at \$196, Advanced at \$294, and Premium at \$392. These prices are plus state filing fees, which vary by state. For example, forming an LLC in California costs \$196 (Essential) plus \$70 state fee, totaling \$266.

### **Q: What is included in the Essential package?**

A: The Essential package at \$196 includes a business name availability check, Articles of Incorporation or Organization, one year of registered agent service, a Federal EIN number, a corporate bylaws or operating agreement template, and a basic compliance calendar.

### **Q: What is included in the Advanced package?**

A: The Advanced package at \$294 includes everything in the Essential package plus a custom operating agreement or bylaws, banking resolution, state and local tax registration, business license research report, corporate seal and certificate book, and tax election guidance for things like S-Corp elections.

### **Q: What is included in the Premium package?**

A: The Premium package at \$392 includes everything in the Advanced package plus attorney review of all documents, a one-hour consultation call, expedited state filing, banking introduction service, ongoing compliance monitoring, annual report filing service, and priority customer support.

### **Q: Which formation package is most popular?**

A: The Advanced package at \$294 is BizHub's most popular option. It offers a good balance of comprehensive formation services with extras like custom documents, tax registration, and tax election guidance.

**Q: Should I form an LLC or a Corporation?**

A: It depends on your goals. An LLC is best for small businesses, consultants, and real estate investors — it offers pass-through taxation and flexible management with fewer compliance requirements. A Corporation is better if you're seeking investment or planning to scale, as it allows unlimited shareholders and is preferred by venture capitalists. BizHub has an interactive entity quiz on their website to help you decide.

**Q: What is the difference between a C-Corp and an S-Corp?**

A: A C-Corp faces double taxation — the corporation pays taxes on profits, and shareholders pay taxes on dividends. An S-Corp has pass-through taxation where profits flow to shareholders' personal returns, avoiding double taxation. S-Corps also offer savings on self-employment tax. However, S-Corps have restrictions on the number and type of shareholders.

**Q: How long does business formation take?**

A: Most formations are completed within 7 to 21 business days. The breakdown is: choosing your entity and package takes about 15 minutes, document preparation takes 1 to 3 business days, and state filing takes 5 to 15 business days. Expedited processing in 2 to 5 days is available for \$149, and rush processing in 1 to 2 days is also available.

**Q: What is the formation process?**

A: BizHub's formation follows 6 steps: First, choose your entity type (LLC, Corp, or S-Corp). Second, select your package (Essential, Advanced, or Premium). Third, provide your business details through a secure online form. Fourth, BizHub prepares your documents in 1 to 3 days. Fifth, they file with the Secretary of State in 5 to 15 days. Sixth, you receive your official documents and can launch your business.

**Q: Can I expedite my formation?**

A: Yes. Standard processing takes 5 to 15 business days. Expedited processing takes 2 to 5 business days for an additional \$149. Rush processing in 1 to 2 business days is also available — contact BizHub for rush pricing.

**Q: What are the state filing fees?**

A: State filing fees vary. Some popular states: California is \$70, Delaware is \$89, Nevada is \$75, Wyoming is \$100, and Texas is \$300. BizHub always discloses exact fees before processing your formation.

**Q: Which state should I form my business in?**

A: It depends on your situation. Delaware is popular for its business-friendly laws and Court of Chancery. Nevada and Wyoming offer no state income tax and strong privacy. California provides access to the Silicon Valley ecosystem and venture capital. Texas offers business incentives and no personal income tax. Florida has no personal income tax and is a growing business hub.

**Q: What add-on services does BizHub offer?**

A: BizHub offers four add-ons: Expedited Processing for \$149 (24-48 hour state filing), a Banking Package for \$99 (bank account setup assistance), a Trademark Search for \$199 (comprehensive trademark analysis), and a Business Website setup for \$299.
